

2009 Client Price List

Prices are all-inclusive and billed to your client at time of admission. Cash, Certified check, Visa or Mastercard accepted.

This price list will be updated frequently as new services become available.

Rehabilitation & Physical Therapy Services

Initial Consultation-----	\$100
Follow-up Session-----	\$50
Initial Rehab Package (Includes first consult and 4 additional sessions)-----	\$300
Additional 6 Rehab Sessions-----	\$300

Diagnostic Imaging Services

Magnetic Resonance Imaging

MRI Study-----	\$ 1,295
Study is considered a complete anatomic area. Examples include full limb, brain series or complete spinal series.	

MRI Single Site-----	\$ 775
Single site is defined as imaging a single limited anatomic location. Example would include stifle only instead of entire hindlimb.	

Please inform our technicians if the patient has any existing metal or microchips in its body as they will affect the imaging process.

Radiology Services

Complete Series Whole Body Digital Radiographs-----	\$ 130
(Includes minimum 2 views each Skull, Thorax, Abdomen, Limbs and Spine)	
With Radiologist Interpretation-----	\$ 215
(Unlimited telephone consults with Specialists within 72 hours)	

Gastrointestinal Contrast Studies-----	\$ 325
Renal Contrast Studies-----	\$ 325
With Radiologist Interpretation-----	\$ 345
(Unlimited telephone consults with Specialists within 72 hours)	

Ultrasound

Abdominal-----	\$ 230
Sonographic Specialist Interpretation-----	\$ 360
Cardiac with Doppler Flow-----	\$ 360
Single System	
-Hepatic/Gall Bladder -----	\$ 52
-Retrobulbar-----	\$ 52
-Renal-----	\$ 72
-Urinary Bladder-----	\$ 52
Thoracic-----	\$ 230
Ultrasound Guided Fine Needle Aspirate or Biopsy-----	\$ 295
Sonographic Specialist Interpretation of Images-----	\$ 425
Ultrasound Guided Gall Bladder Decompression-----	\$ 195
Add Cytology-----	\$ 65
Add Culture and Sensitivity-----	\$ 65

Surgical, Diagnostic and Treatment Services

All surgeries have pre-operative testing appropriate for the procedure to ensure safety of the patient. If surgery is cancelled due to test results and no additional services are performed a \$75 fee will apply to cover pre-operative expenses.

Overnight Hospital Care-----	\$200
------------------------------	-------

Cardiology

Electrocardiography with Specialist Interpretation-----	\$ 110
(Routine Consult- 24-hour turnaround)	
Stat ECG Consult-----	\$ 150
(Stat Consult within 1 hour)	
Pericardiocentesis- Ultrasound Guided-----	\$ 490
Patent Ductus Arteriosus Ligation-----	\$ 1,560
Persistent Right Aortic Arch Ligation-----	\$ 1,950

Ear Surgeries

Auricular Tumor Removal- Horizontal or Vertical Canal-----	\$ 780
Pinna Ablation-----	\$ 650
Myringotomy (Incision of Tympanic membrane for drainage)-----	\$ 390
Total Ear Canal Ablation +/- Bulla Osteotomy, Unilateral-----	\$ 780
Bilateral-----	\$ 1,170

Endoscope Services

Colonoscopy with Biopsy/Histopathology-----	\$ 715
Endoscopic Foreign Body Retrieval-----	\$ 325
-Esophageal	
-Gastric	
-Tracheal	
Endoscopic GI Biopsies/Histopathology-----	\$ 715
Gastrosocopy -----	\$ 455
Add Biopsy/Histopathology-----	\$ 130

Gastrointestinal Procedures

Enterotomy-----	\$ 975
Gastric Resection-----	\$ 1,560
Gastrotomy-----	\$ 975
Gastro-duodenal Anastomosis-----	\$ 1,560
Prophylactic Gastropexy-----	\$ 520
-Post GDV-----	\$ 520
Intestinal Resection and Anastomosis-----	\$ 1,300
Pyloromyotomy-----	\$ 1,040
Pyloroplasty (Pyloric Stenosis/Mucosal Hypertrophy)-----	\$ 1,040
Rectal Neoplasia Removal-----	\$ 845
Subtotal Colectomy-----	\$ 1,300
Typhlectomy-----	\$ 845

General Surgeries

Abdominal Exploratory Laparotomy-----	\$ 650
Adrenalectomy-----	\$ 1,300
Anal Saculectomy-----	\$ 520
Bile Duct Canulation -----	\$ 845
Biopsy Procedures	
Bone Biopsy w/Pathologist Interpretation-----	\$ 325
Bone Aspirate w/Pathologist Interpretation-----	\$ 325
Tissue Biopsy w/Pathologist Interpretation-----	\$ 325
Caesarian Section-----	\$ 715
Facial Fold Excision-----	\$ 420
Gall Bladder Surgery-----	\$ 1,300
Cholecystectomy	
Cholecystotomy	
Cholecystoduodenostomy	
Choledochotomy	
Heartworm Removal- Feline-----	\$ 2,600
Hernia Repair	
-Diaphragmatic-----	\$ 1,300
-Pericardial-Diphragmatic-----	\$ 1,950

-Inguinal, Unilateral-----	\$ 650
Bilateral-----	\$ 720
-Perineal, Unilateral-----	\$ 840
Bilateral-----	\$ 1,105
Insulinoma Removal-----	\$ 1,105
Laser Ablation Adrenalectomy- Ferret-----	\$ 780
Laser Ablation Insulinoma Removal- Ferret-----	\$ 1,105
Laser Mass Ablation, Skin-----	\$ 45
Additional, each-----	\$ 20
Liver Lobectomy-----	\$ 1,560
Mass Removal – Extra- Thoracic/Abdominal	
< 4cm-----	\$ 455
4-8cm-----	\$ 650
> 8cm-----	\$ 845
Mass Removal – Intra-Abdominal-----	\$ 1,040
Splenectomy-----	\$ 1,300
Partial Pancreatectomy-----	\$ 1,105
Partial Splenectomy-----	\$ 1,300
Salivary Mucocoele/Ranula Repair-----	\$ 520
Thyroidectomy	
-Canine-----	\$ 1,235
-Feline-----	\$ 715

Laboratory Services Same Day

Clotting Profile-----	\$ 52
CBC-----	\$ 32
Chemistry-----	\$ 32
Blood Gas (venous)-----	\$ 52

Neurology Procedures

Dorsal Laminectomy-----	\$ 3,900
Ventral Laminectomy (cervical)-----	\$ 3,250
Spinal Fracture-----	\$ 4,550
Spinal Tap w/ Cytology and Culture/Sensitivity-----	\$ 455

Ocular Procedures

Conjunctival Advancement Flap-----	\$ 455
Dystichiasis-----	\$ 230
Ectropion, Bilateral-----	\$ 585
Entropion, Bilateral-----	\$ 585
Enucleation-----	\$ 455
Grid Keratotomy-----	\$ 195
Prolapsed Tarsal Gland Pexy, Unilateral or Bilateral-----	\$ 325

Orthopedic Procedures

Amputation	
Forelimb-----	\$ 1,300
Hindlimb-----	\$ 1,300
Digit-----	\$ 455
Tail-----	\$ 455
Joint Arthrodesis	
Carpus-----	\$ 1,560
Hock-----	\$ 1,560
Bone Biopsy-----	\$ 325
Bone Marrow Aspirate-----	\$ 325
Cranial Cruciate Ligament Repair	
-Lateral Fabellar Suture-----	\$ 1170
-Triple Tibial Osteotomy-----	\$ 2,340
Fracture Repair	
-Avulsion Fracture-----	\$845
-Feline Limb-----	\$ 975
- Canine Limb (≤ 10 kg)-----	\$ 1,105
-Canine Limb (11-25 kg)-----	\$1,430
-Canine Limb (>25 kg)-----	\$ 1,950
Femoral Head and Neck Ostectomy-----	\$ 1,105
Humeral Condylar Fracture-----	\$975
Infraspinatus Muscle Contracture Release-----	\$ 845
Joint Tap with Cytology-----	\$ 165
Add Culture and Sensitivity-----	\$ 175
Mandibular Fracture Repair (Feline/Small Dog)-----	\$715
Plated Mandibular Repair-----	\$1,105
Patellar Luxation Repair-----	\$ 910
Total Hip Replacement-----	\$ 5,200

Percutaneous Feeding Tube Placement

-Esophageal-----	\$ 165
-Jejunal-----	\$ 325
-Gastric/PEG-----	\$ 260
-Naso-Gastric-----	\$ 100
-Pharyngostomy-----	\$ 165

Renal System Procedures

Bladder Mass Resection	
Trigone Region-----	\$ 1,625
Non-Trigone Region-----	\$ 975
Cystotomy-----	\$ 715
Ectopic Ureter	
Unilateral-----	\$ 1,300
Bilateral-----	\$ 1,560
Nephrectomy-----	\$ 1,300

Partial Nephrectomy-----	\$ 1,300
Perineal Urethrostomy (Feline)-----	\$ 1,040
Permanent Urethrostomy (Canine)-----	\$ 520
Subcutaneous Catheter Placement-----	\$ 165
Urethral Prolapse Repair-----	\$ 585

Respiratory Procedures

Bronchoalveolar Lavage with Culture and Sensitivity/Cytology-----	\$ 360
Laryngeal Tie Back-----	\$ 845
Lung Lobectomy-----	\$ 1,950
Nasal Oxygen Tube-----	\$ 100
Soft Palate Resection-----	\$ 455
Stenotic Nares-----	\$ 420
Thoracocentesis with Culture and Sensitivity/Cytology-----	\$ 325
Thoracotomy-----	\$ 1,950
Tracheal Mass Removal and Anastomosis-----	\$ 1,300
Tracheal Stenting (Extrathoracic)-----	\$ 780
Tracheostomy, Permanent -----	\$ 780
Transtracheal Wash with Culture and Sensitivity/Cytology-----	\$ 230

Professional Service fees are expected to be paid at the time services are rendered.
