with Boarded Radiologist Interpretation

Renal Contrast Studies (IVP)

with Boarded Radiologist Interpretation

Orthopedic Procedures

Cranial Cruciate Ligament Repair

-Lateral Fabellar Suture (MRIT)

-Plated Repair - Tibial Tuberosity Advancement - Rapid (TTA-R)

Fracture Repair

-Avulsion Fractures

-Limb Fractures

Patellar Luxation Repair

Femoral Head and Neck Osteotomy

Humeral Condylar Fracture

Hardware Removal

Amputation

-Forelimb

-Hindlimb

-Digit

-Tail

Joint Arthrodesis

Bone Biopsy
Bone Marrow Aspirate
Infraspinatus Muscle Contracture Release
Joint Tap with Cytology
Joint Dysplasia Surgery
 -OCD of Shoulder
 -Ununited Acromioclavicular Joint Process Removal
 -Fragmented Medial Coronoid Process Removal
Lateral/Spoon Splint Application
Fiberglass Cast Application

Soft Tissue Procedures

General Surgeries

Abdominal Exploratory Laparotomy

Additional biopsy fees may apply due to recent increases in lab costs.

CO₂ Laser Mass Ablation, Skin

Mass Removal - External

Liver Lobectomy

Splenectomy

Adrenalectomy

Anal Saculectomy

Anal Saculectomy with Mass Removal and Histopathology

Biopsy Procedures

Cesarian Section

Pyometra Removal

Facial Fold Excision

Salivary Mucocele Repair

Ranula Repair

Tail Fold Excision

Episioplasty

Insulinoma Removal

Hernia Repair

- Diaphragmatic

- Pericardial-Diaphragmatic

- Inguinal

- Perineal

Portosystemic Shunt Ligation

Thyroidectomy/Parathyroidectomy

Cardiology

Electrocardiography with Specialist Interpretation (Routine Consult - 24 Hour Turnaround)

Stat ECG Consult (Stat consult within 1 hour)

Pericardiocentesis (Ultrasound Guided)

(Does not include Echocardiogram)

Patent Ductus Arteriosus Ligation

Persistent Right Aortic Arch Ligation

Ear Surgeries

Auricular Tumor Removal- Horizontal or Vertical Canal
Pinna
Polyp Removal - Nasal/Auricular [fee includes MRI confirmation]
Polyp Removal w/Ventral Bulla Osteotomy [fee includes MRI confirmation]
Total Ear Canal Ablation +/- Bulla Osteotomy

Gastrointestinal Procedures

Gastrotomy
Enterotomy
Intestinal Resection and Anastomosis
Gastropexy, Prophylactic
Gall Bladder Surgery
Prolapsed Rectum Repair
Pyloric Stenosis/Mucosal Hypertrophy Repair
Rectal Neoplasia Removal
Subtotal Colectomy
Gastric/PEG Feeding Tube
Thoracotomy w/Esoophageal Mass or FB Removal

Ocular Procedures

Enucleation
Prolapsed Tarsal Gland Pexy (Cherry Eye Tacking)
Ectropion, Bilateral
Entropion, Bilateral
Grid Keratotomy
Distichiasis (CO₂ Laser Ablation)

Renal System Procedures

Bladder Mass Resection
Cystotomy
Ectopic Ureter
Nephrectomy
Perineal Urethrostomy (Feline)
Urethrostomy/Urethrotomy (Canine)
Urethral Prolapse Repair

Respiratory Procedures

Laryngeal Tie Back (LarPar)
Bronchoalveolar Lavage with Cytology and Culture/Sensitivity
Transtracheal Wash with Cytology and Culture/Sensitivity
Thoracotomy w/Tracheal Mass or FB Removal
Nasal Oxygen Tube
Rhinotomy
Soft Palate Resection (CO₂ Laser)
Stenotic Nares (CO₂ Laser)
Thoracic Exploratory
Thoracic Mass Removal
Thoracocentesis with Cytology and Culture/Sensitivity
Tracheal Mass Removal and Anastomosis (Extrathoracic)
Collapsing Trachea Repair/Stenting (Extrathoracic)
Tracheostomy (Extrathoracic)

CO₂ Laser Surgery for Routine Procedures

- Canine OHE
- Feline OHE
- Canine OE
- Canine Cryptorchid
- Feline OE
- Feline Cryptorchid
- Feline Declaw (2 paw)
- Feline Declaw (4 paw)

Endoscopy Services

- Upper or Lower GI Biopsies with Histopathology
- Endoscopic Foreign Body Retrieval

Laboratory Services

Included w/Sx

- PreSurgical Bloodwork
- Clotting Profile
- Electrolyte Panel
- Blood Gas (venous)
- Spinal Tap with Cytology and Culture/Sensitivity

Overnight Hospital Care (Attended care with LVT)

Regenerative Therapy

- Stem Cell Therapy
- Platelet Rich Plasma Therapy

Rehabilitation & Physical Therapy Services

Provided by Dr. Steven Zinderman

Initial Consultation (single affected sites) 1 hr
